***“Therefore, if anyone is in Christ, he is a new creation.
The old has passed away; behold, the new has come.”
– 2 Corinthians 5:17***

As I was swimming through the clouds of yellow pollen in the air, I recognized my hurriedness. I was rushing, trying to cover the basics so I could move on to the next thing, when I was completely stopped in my tracks. Our Lilac bush had blossomed and was heavy with the most beautiful, fluffy purple flowers I have ever seen it produce. I paused for just a moment to recognize that I had been so busy living life that I had been missing the amazing new life all around me. I had been so focused on staying away from all that pollen that I forgot that its presence announced the springing forth of new creation.

I wondered what else I had missed. Were there birds nests? Had my bulbs busted through the ground yet? A dear friend reminded me recently that evidence of new life is everywhere, if we only take time to look.

2 Corinthians goes on to say that “all this is from God.” God has graciously given us bits of hope around every corner; illustrations of His grace and a reminder of who we are in Him. Let’s look for these reminders in the everyday and may it give us hope and confidence on our way.

Spring NEWSLETTER

SPOTLIGHT

We have been blessed to have Dr. Andy Wakefield and his wife, Olivia, with us for over a year. His last Sunday will be April 28th. We will have a covered dish meal after service that day to honor them both. We are also collecting a Love Offering until April 24th to let him know how much we appreciate his presence with us during our pastoral transition. Please join us for lunch and consider making a donation for the Love Offering.
