

# MORNING WORSHIP SERVICE

September 8, 2019

Worship in Belize is revival to those who have had the opportunity to go on a mission trip there. The fellowship is warm and inviting. The brothers and sisters at Gethsemane Baptist Church express their appreciation to God with deep sincerity. Their praise is authentic and inspiring; appreciation for God's grace fills the air. The warmth of fellowship begins as they welcome each other with gladness; it ends with laughter and smiles as they hang around and share with one another. We watch them love God and love each other. Invariably someone on the team will say, "I wish everyone at church could experience this with us."

Today it is our hope to share our experience with you. We will share stories from the last two years of how God has enlarged our hearts. It is our hope that as we sit together in the sanctuary, we may experience something of the closeness of fellowship we have found there. Please join us as we share a little of what we experience in Belize.
