This service is broadcast live over WCKB AM 780 and FM 97.7 and streamed live on www.fbcdunn.com, First Baptist Church of Dunn NC YouTube Channel and Facebook Live on First Baptist Church of Dunn’s page.

We have been notified by Lifetouch that they are pausing their church directory division until a later date in an effort to keep our members and their staff safe and healthy.

We do not have an anticipated date for our photo sessions at this time. We will notify you once we do.

A Message on Reopening

The past few months have been difficult times for all of us in many, many ways. We have had to rethink almost every aspect of our lives as we navigate the Coronavirus pandemic. Much of what we took for granted, we have had to rethink in order to keep ourselves, our families and each other as safe as possible. Not the least of which was the fact that we have not been able to meet to worship together. While we have been able to listen to church services on the radio and watch the services through livestreaming, we all have missed being able to worship together as a congregation.

On Sunday, July 27th, the Worship Committee met to discuss reopening and decided that we could begin offering members the opportunity to worship together on Sunday mornings beginning September 6th. The plan for reopening was then shared with the deacons. As a result, we will offer in-person worship services beginning in September. At the present time, there are no plans to resume individual Sunday School Classes. Groups are encouraged to continue any online Sunday School meetings.

We are confident that some may not feel comfortable returning to worship for some time. Please know that we understand this and will continue to offer the 11:00 service through the radio and livestreamed online. We want to serve our entire congregation and we trust that each and every member and family will make the decision to worship in person or in your home in light of your own unique circumstances. We know that high risk categories such as age, underlying health conditions or a need to protect family members whose health may be compromised are all valid reasons for wisely deciding to stay at home until you can safely return in person to worship services.

The guidelines for In Person Worship are included.
